*this Court Hearing and I must say her work was impressive. She had pulled together the entire History of the issues involving the City and this property owner and filed it with the Court Monday morning. At the hearing the opposing Attorney was overwhelmed with the details she provided and of course the Judge ruled in the City's favor. I would like to nominate Kristen for the Mayors Parking spot for the work ethics and attention to detail she provided on this case. Some may say it was her job, I say she went ABOVE and BEYOND." Kristen can begin parking in the Mayor's spot Monday, May7. **Nominate anyone you see doing a good job** at **[agoodjob@frankltn.gov](mailto:agoodjob@frankltn.gov)** .*
